¹ Data in this report has been compiled at the zip code level. In an effort not to skew district data, zip code areas representing less than 10,000 acres in the Congressional District have been excluded from the district’s data. Exceptions include data for zip codes 60604, 60602, and 60301 which were included in Congressional District 7 and zip code 60537 which was included in both Congressional District 14 and 16 data.

Industry Sector Employment

Between 2007 and 2012

- The Congressional District lost 15,835 jobs during the past 5 years while the State lost 106,433 jobs overall.
- The industry sectors gaining the most jobs over the past 5 years were healthcare and social assistance (10,304) and educational services (3,520).
- Industry sectors with the largest job loss between 2007 and 2012 were construction (-12,017) and manufacturing (-7,842).

Jobs				
Year	District	5 Year Net Change	District % Change	State % Change
2007	653,227			
2012	637,392	(-15,835)	-2.4%	-1.4%
2017	669,736	32,344	5.1%	5.3%

EMSI Complete Employment – 2012, 3rd quarter

Looking Forward to 2017

- Over the next five years the 9th Congressional District is expected to gain 32,344 jobs with jobs projected to grow at a similar rate as the State. The healthcare and social assistance sector is projected to add the largest number of jobs (14,231) followed by professional, scientific, and technical services (4,644). Manufacturing is expected to have the greatest job loss (-6,720).
- Healthcare and social assistance is currently the largest industry sector, with 105,606 jobs and average earnings per worker, with benefits, of \$48,335. It is projected that healthcare and social assistance will continue to be the largest industry sector of employment through 2017.
- In Congressional District 9, the average earnings per worker, including benefits, is \$54,590, which is slightly higher than the State average of \$53,157.

Employment by Top Industries				
Industry	2007	2012	2017	2007 – 2017 Change
Health care and Social Assistance	95,302	105,606	119,837	24,535
